Norwex Credit can be used as soon as it's earned – even on new products! No need to wait for the event to close out. Check your account to use your Norwex Credit before it expires!

\*Earning Norwex Credit with a Personal Link is a benefit offered to customers whose Consultants are Office Suite subscribers. Norwex Credit is applied before tax and shipping. It expires 90 days after earned, at the end of the expiration month. Purchases made using Norwex Credit are non-commissionable. \*\*Events can be held for up to a 90-day period, plus a 14-day last call closing window. If the 50% Booking discount is earned, Norwex Credit may not be applied for the balance on that item.
